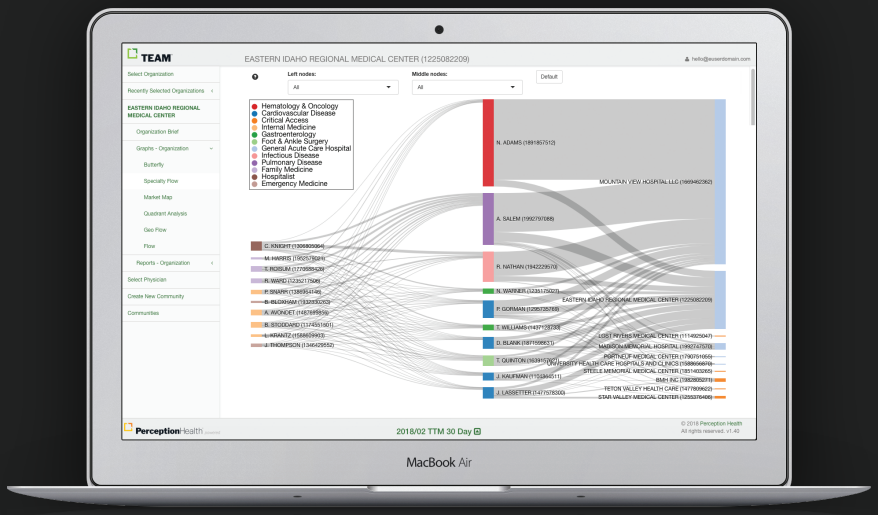
TEAM™

Market Position Intelligence

powered by Perception Health®



Know the flow. Find the leakage. Measure changes. Maximize revenue.

TEAM reveals hidden opportunities and highlights areas to measure, optimize, and manage in your physician, patient, and referral relationships. Now you can see the flow of individual patient activity through entire markets, including your competitor facilities.

Visit **perceptionhealth.com** to learn more about this and other predictive intelligence capabilities.

TEAM™

Market Position Intelligence

powered by Perception Health®

Over 14 billion medical claims and 6.5 million more added daily.

TEAM is already the industry's most robust, and fastest growing data framework. Add the simple, at-a-glance visuals and the personalized expertise from our data scientists, and you have a full spectrum of tools that help inform your decisions that maximize provider, payer, and patient benefits across the board.

Prioritize Relationships
Prioritize in order of critical success factors.

Visualize Referral Patterns
Track patient journeys through your entire market.

Measure Market Share
Clearly see where you rank and analyze your market competition.

Quantify Leakage
Identify referrals and enhance loyalty.

Measure Accountability
Identify and focus attention on physicians who need help.

Validate Strategies
Strengthen relationships and identify potential acquisitions.

Quantify Relationships
Measure the impact of active and potential partnerships.

Identify Anomalies
Sometimes you don't know what you're looking for until you find it.
